A video has surfaced with real source data and Science from a School Board Meeting in Indiana. Click play below and see if you hear what we hear? (please share)

On Friday, August 7th Dr. Dan Stock addressed the Mt. Vernon School Board in Indiana over the futility of mask mandates and Covid-19 protocols in most schools. You can watch his 6 minute presentation before the school board. In his presentation, he references a flash drive he gave the school board members to review with all of the scientific literature he referenced.
